I am requesting a waiver to the requirement that this document be filed electronically as I do not have access to a computer and it is 25 miles to the nearest library. We need a post office in Hacker Valley because without one it makes it very hard for me to be able to get money orders or send packages, we pay for medication through the mail with money orders. In the winter this it would be very Over ->

hard to go get money orders as either way we go there is a mountain to cross, my husband is elderly and has bad hips and legs so getting in and out of a vehicle is difficult any way.

If I send money with the mail ~~man~~ man for a money order it takes 3 days

Day 1 send money with the mail carrier

Day 2 mail carrier brings back a blank m-o

Day 3 fill out money order and mail

Now when I need to get a payment in the mail for medicine that is too long, this is a hard ship for me as well as others in the area. Sometimes we can't take the time to go so far to a post office either. We really do need a Post Office in Hacker Valley.
